Dear Friends of TLC,

Would you be willing to take care of our community's homeless for one night?

For just \$125, TLC is able to provide food and shelter, and help our homeless community get themselves back on their feet. During the last 6 months, we have provided shelter to an average of 20 adults and children each night.

Yes, you read the numbers right. Only \$125 will provide food, shelter and care for 20 people. This is possible because of the generosity of our community. Dedicated individuals built the living facilities in the Love Inc. building for short term stays. They continue to maintain it, and the Morrow House, where we are able to house two families for extended stays. We also receive tremendous support in like-kind donations and volunteered time. And finally, our work is enabled by Love Inc's wonderful support services. As a result of all this generosity, TLC is able to not only provide shelter, but also help our clients get themselves back on their feet and into a productive lifestyle.

We are looking for individuals, churches, schools, and service groups to sponsor the 365 nights in 2008. Through our **Calendar of Care**, we will be recognizing the actual night paid for by your \$125 contribution. Please consider if this is something you or a group you are associated with are able to be part of.

If you would like to support our homeless community in some other way, please know how much we appreciate donations of any size as well as volunteered time.

Sincerely,

Nancy Hodge, TLC Executive Director
TLC Board of Directors
